**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (collectively, the “**Debtors**”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (collectively, the “**Schedules**”) and Statements of Financial Affairs (collectively, the “**Statements**”) in the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of each of the Schedules and Statements. These Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.² In the event that the Schedules and/or Statements differ from these Global Notes, these Global Notes control.

While the Debtors' management and advisors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to a claim (as defined in section 101(5) of the Bankruptcy Code,

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: WG Sub, LLC (“**WG Sub**”) (0781), Water Gremlin Holdings, Inc. (“**Holdings**”) (9250), and Water Gremlin Company (“**Water Gremlin**”) (6396).

² These Global Notes supplement and are in addition to any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors may reference an individual Debtor's Schedules and Statements and not those of another Debtor should not be interpreted as a decision by the Debtors to exclude the applicability of such reference to any of the Schedules and Statements of any other Debtor, as applicable.

“**Claim**”) description or designation; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules or Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtors. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors or an admission with respect to the Debtors’ Chapter 11 Cases (as defined herein) (including, but not limited to, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant non-bankruptcy laws to recover assets or avoid transfers).

The Debtors and their agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event will the Debtors or their agents, attorneys and/or financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), arising from the accuracy or completeness of the data provided herein whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Bradley J. Hartsell, the President or Authorized Person of the Debtors, has signed the Schedules and Statements. Mr. Hartsell is an authorized signatory for the Debtors. In reviewing and signing the Schedules and Statements, Mr. Hartsell has necessarily relied upon the efforts, statements, and representations of various third parties involved in the Debtors’ operations. Mr. Hartsell has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

I. GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

1. ***Description of the Chapter 11 Case.*** On October 27, 2023 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code (the “**Chapter 11 Cases**”). On November 1, 2023, an order was entered directing joint administration of these Chapter 11 Cases [Docket No. 33]. Notwithstanding the joint administration of the Debtors’ Chapter 11 Cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the Petition Date. On November 7, 2023, the United States Trustee for the District of Delaware

(the “**U.S. Trustee**”) appointed an official committee of unsecured creditors (the “**Committee**”). No trustee or examiner has been appointed in the Chapter 11 Cases.

2. ***Basis of Presentation.*** For financial reporting purposes, in the ordinary course prior to the Petition Date, the Debtors prepared financial statements that were consolidated by Holdings. Combining the assets and liabilities set forth in the Schedules and Statements would result in amounts that may be different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles (“**GAAP**”). The Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements.

3. Moreover, given, among other things, the extent of the Debtors’ unused net operating losses and the uncertainty surrounding the valuation and nature of certain of the Debtors’ assets and liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that a Debtor was solvent as of the Petition Date or at any time prior to the Petition Date.

4. ***Reservation and Limitations.*** While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these Chapter 11 Cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in these Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

5. ***No Admission.*** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtor, any assertion made therein or herein, or a waiver of any of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.

II. GENERAL DISCLOSURE APPLICATION TO SCHEDULES AND STATEMENTS

6. ***Causes of Action.*** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including causes of actions arising under the provisions of Chapter 5 of the Bankruptcy Code and any other relevant nonbankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim,

counterclaim, or recoupment, and any claim in connection with any contract, breach of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) it may have, and neither these Global Notes nor the Schedules nor the Statements shall be deemed a waiver of any Causes of Action or in any way prejudice or impair the assertion of any such Causes of Action.

7. **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may have inadvertently improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity of the Debtors’ business. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

8. **Claim Designations.** Listing a claim (i) on Schedule D as “secured,” (ii) on Schedule E/F part 1 as “unsecured priority” or (iii) on Schedule E/F part 2 as “unsecured nonpriority,” does not constitute a waiver of any of the Debtors’ rights to recharacterize, reclassify, recategorize, or redesignate such claim. Furthermore, listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease nor a waiver of the Debtors’ right to recharacterize, reclassify or dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule, as necessary.

9. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known and estimated amounts included in the Schedules and Statements. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be materially different than the listed total. The description of an amount as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined” is not intended to reflect upon the materiality of such amount. Due to numerous unliquidated, contingent and/or disputed claims, it is possible that the summary statistics in the Schedules, Statements and Global Notes may understate the Debtors’ liabilities (possibly to a significant extent).

10. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims, including with respect to employees, among others. Accordingly, certain of these liabilities may have been, or will be, satisfied in accordance with such orders. Where the Schedules list creditors and set forth the Debtors’ scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date. However, the estimates of claims set forth in the

Schedules may not reflect assertions by the Debtors' creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

11. ***Other Paid Claims.*** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections or notices of satisfaction of such claims, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

12. ***Liabilities.*** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. The Debtors reserve all rights to modify, amend or supplement the Schedules and Statements as is necessary or appropriate. The liabilities listed on these Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

13. ***Currency.*** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

14. ***Valuation.*** The Debtors believe it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. For these reasons, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined or unknown. Unless otherwise indicated, the Schedules and Statements reflect net book values as of the Petition Date. Exceptions to this include operating cash and certain other assets as described herein. Operating cash is presented as bank balances as of the Petition Date. Amounts ultimately realized may vary from net book value, and such variance may be material. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.

15. ***Leases.*** Nothing in the Schedules or Statements (including, without limitation the failure to list leased property or equipment as owned property or equipment) is, or shall be construed as, an admission as to the determination of legal status of any lease (including whether any lease is a true lease or financing arrangement), and the Debtors reserve all of their rights with respect to such issues. The Debtors lease facilities under various lease agreements. These leases are reported on the Schedule G. To the extent that there was an amount outstanding under any of these agreements as of the respective Petition Date, the amount owed to the applicable lessor has been listed on Schedule E/F Part 2.

16. **Estimates.** To prepare and file the Schedules in accordance with the deadline established in the Chapter 11 Cases, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities as of the Petition Date. The Debtors reserve the right to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

17. **Fiscal Year.** The Debtors' fiscal years end on September 30.

18. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

19. **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment.

20. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

21. **Insiders.** In the circumstance where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to certain individuals who the Debtors believe may be included in the definition of "insider" set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for (1) the purposes of determining (i) control of the Debtors, (ii) the extent to which any individual exercised management responsibilities or functions or corporate decision making authority over the Debtors, or (iii) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (2) any other purpose.

22. **Intercompany Claims.** Receivables and payables among the Debtors are reported on Schedule A/B and Schedule E/F, respectively. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission

of the characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including with respect to the characterization of intercompany claims. The Debtors engage in limited intercompany transactions with each other, including the payment or funding of certain operating expenses as described in the *Debtors' Motion For Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Perform Intercompany Transactions, (II) Waiving the Requirements of Section 345(b) On An Interim Basis, and (III) Granting Related Relief* [Docket No. 12] (the “**Cash Management Motion**”).

III. SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' SCHEDULES

23. ***Schedule A/B – All Assets.*** Except as otherwise set forth herein, the value of all assets listed on Schedule A/B are as of the Petition Date, as reflected in the Debtors' books and records. The Debtors have performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in each Debtors' books and records.

24. ***Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.*** Details with respect to the Debtors' cash management system and bank accounts are provided in the Cash Management Motion and the orders of the Bankruptcy Court granting the Cash Management Motion. The Debtors' bank account balances, and the balances of deposits and prepayments, are reported as of the Petition Date.

25. ***Schedule D - Creditors Holding Secured Claims.*** The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in any Debtors' Schedule D shall be deemed a modification, interpretation, or waiver of the terms of any such agreements. Except as specifically stated herein, utility companies and other parties that may hold security deposits have not been listed on Schedule D. In addition, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

26. ***Schedule E/F - Creditors Holding Unsecured Priority and/or Unsecured Non-Priority Claims.*** The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

27. The Debtors have obtained authority from the Bankruptcy Court to pay certain prepetition claims, including those of employees pursuant to the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief* [Docket No. 91] (the “**Wage Order**”). The Wage Order authorizes the Debtor to pay in the ordinary course accrued but unpaid PTO upon termination of an employee, unless such amount

exceeds the limits of sections 507(a)(4) and 507(a)(5). The Debtors expect that all or most prepetition claims of current employees for wages, salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business. Thus, Schedule E/F Part 1 does not include prepetition claims of employees on account of wages, salaries, benefits and other obligations that the Debtors have paid or expect to pay in the ordinary course of business, however Schedule E/F Part 1 does list claims for accrued but unpaid PTO. To the extent any claims on account of employee wages, salaries, benefits, and other obligations are not paid, the Debtors reserve the right to amend Schedule E/F Part 1 and Part 2, as necessary or appropriate.

28. The unsecured non-priority claims of creditors for among other things, products, goods or services are listed as either the lower of the amounts invoiced by the creditor or the estimated accrued amounts reflected on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors.

29. Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

30. ***Schedule G - Unexpired Leases and Executory Contracts.*** The contracts, agreements and leases listed on the Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppels, certificates, letters, memoranda or other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents. Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights, which are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the executory contracts or unexpired leases listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. To the extent the Court determines a particular contract not included on Schedule G is executory, the Debtors will amend Schedule G to add that contract, as necessary or appropriate.

31. In addition, Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

32. Omission of a contract or agreement from Schedule G does not constitute an

admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

IV. SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' STATEMENTS

33. ***Statements Item 7 – Litigation.*** Despite reasonable efforts, the Debtors may not have identified all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

34. ***Statements Item 22 – Judicial or Administrative Proceedings Under Environmental Law.*** Despite reasonable efforts, the Debtors may not have identified in their Statements all judicial or administrative proceedings under environmental laws, including settlements and orders, to which the Debtors have been a party. The Debtors reserve all rights with respect to any judicial or administrative proceedings under any environmental law.

35. ***Statements Item 31 – Consolidated Group.*** As described above, for financial reporting purposes, in the ordinary course prior to the Petition Date, the Debtors prepared financial statements that were consolidated by Holdings. Although the Debtors' consolidated tax returns were not due prior to the Petition Date (and therefore such tax returns have not been filed) the Debtors anticipate being treated as a consolidated group for tax purposes.
